Custodian of Records-City of Milwaukee-Mayors office

Pursuant to Wisconsin Open records law section 19.31-19.39, I am requesting copies of the following records:

1. Copies of all "Open Records Requests" to the Mayors office for the year 2007
2. The length of time that it took to respond to the above requests.

As provided by the Open Records law, I will expect your response as soon as practicable and without delay.

I will assume that if we don't here from you by **June 30, 2008** that you have denied this request.

If you choose to deny this request, please provide a written explanation for the denial including a reference to the specific statutory exemption(s) upon which you rely. Also, please provide all segregable portions of otherwise exempt material.

Please be advised that we are prepared to pursue whatever remedy necessary to obtain access to the requested records. I would note that a violation of the Open Records law could result in the award of court costs, attorney fee's and actual damages of not less than \$100.00. I would further note that if a court determines that your non-compliance with the law was arbitrary or capricious, it may award our organization punitive damages and attorney fees as well as fine you up to \$1,000 dollars.

Thank You in advance for your help. I can be reached at **(414) 761-3401** for any questions regarding this request.

Sincerely

Orville Seymer
